

POMPOM

PARTY RAFFLE

SEPT. 11TH - OCT. 31ST

Move over fidgets! Craft Yarn Council has a low-tech, low cost alternative to the popular fidget toy: the pompom-guaranteed squeezable, soothing and oh so easy to make. The pompom, like the lemon stress ball the Council popularized before, has all the health-related benefits and no risks of flying parts!

Yarn is the magic component that make pompoms the perfect antidote for our stressful lives. Soft and comforting to the touch; it's perfect for all ages.

The Craft Yarn Council will again be promoting its wellness message of yarn crafts at the Association for Creative Industries trade show in January, the industry's largest trade show attended by thousands of retailers. This time we'll be giving out pompoms to point out that you do not even have to crochet or knit to enjoy the benefits of yarn!

To create the stash of pompoms that we need for this campaign, we are again reaching out to guilds, groups and yarn enthusiasts to help us create thousands of them. To sweeten the appeal, we are having a pompom raffle with cash prizes!

Pompom Raffle: The three entrants who make the most pompoms (1st, 2nd, 3rd place respectively) will be awarded a cash prize. All other pompom makers will be entered into a random raffle drawing to win one of five \$25 cash prizes. Every pompom submitted counts as one raffle entry. The more pompoms you submit, the better chance you have to win!
