

# FLOWER PIN

Created by Leslie Schucker for Dimensions®

Intermediate project, which can be completed in 4 hours or less

## Supplies Needed

- Punch needle fabric
- Black wool felt Dimensions® 73345
- Gray chenille sock yarn with shimmer accents
- Black sock yarn
- Pin back
- Boye® Punch Needle Set 7495A
- Embroidery hoop
- Sewing needle
- Black glass beads
- Black thread
- Glue

## Instructions

1. Transfer the pattern to the punch needle fabric, then mount the fabric in the hoop.
2. Following the instructions included with the punch needle set, punch the center of the flower with the black sock yarn using the 2.2mm punch needle.
3. Punch the petals with the gray chenille sock yarn using the 2.2mm punch needle.
4. Sew the beads around the flower center.
5. Cut out the flower, leaving a ½" border of blank fabric. Fold and glue the blank fabric to the wrong side.
6. Glue the flower to the felt. Trim the felt to create a ¼" border.
7. Tuck and glue black yarn around the edge of the flower to hide the fabric.
8. Glue the pin back to the back of the flower.
